“ *Losing Nellie feels like losing a part of ourselves that can never be replaced. While we can no longer hear her laugh or see her smile, we can carry her forward by being a little kinder, fearless, and more present, just as she was. Goodbye, my dear friend. You will never be forgotten. Thank you for every moment and every memory. You will always be with me, not just in my heart, but in the way I choose to live my life.*
